Connected = Hooked up to Lummi Tribal Water District System

\*The Gooseberry Point wells were connected to the Lummi Tribal Sewer and Water District as supply wells in 2012, and therefore were sampled three times per year from December 2012 to August 2014

\*\*The Gooseberry Point wells were in the process of being connected to the Lummi Tribal Sewer and Water District as supply wells and could not be sampled during August 2012.
